

MIDLANDS SHARED SERVICES FORUM 2017 YOUR INVITATION

We are delighted to invite you to the next Midlands Shared Services forum in Birmingham.

Glenn Collins, Director of Finance Operations, Interserve and Stephen Duffy, Director, Act Lean will explain how Interserve's finance operations have successfully applied Lean principles in their operations over the last three years in partnership with Act Lean; to embed continuous improvement in Interserve's Shared Services in the UK and to build Lean capabilities in the finance team in an innovative and involving way that quickly delivered real improvements and has continued to do so throughout this programme.

They will provide insight on how this has been achieved, the stages of the programme and the difference that this has made to the finance operations, to the team working in the SSC, and to the wider Interserve business.

There will be a limited number of places at the event, so please confirm your attendance as soon as possible.

We hope you can join us for what promises to be an informative and valuable session.
