

THE NEXT MSSF WEBINAR WHERE ARE YOU NOW? YOUR WEBINAR INVITATION

After a SummerCation hiatus please join the Midlands Shared Services Committee for our next webinar.

This will be an opportunity to discuss the last few months, but more importantly share updates on the here and now and the plans and challenges for the next few months.

In this webinar we will cover:

- Where are you now? Back in the office, working from home, hybrid working, flexible working? What have we learnt, what's working and what's causing the biggest headaches?
- What are the key challenges for the next few months, furlough returners or how can this community support those who find themselves out of work?
- What does the future MSSF calendar look like? And which topics would you like us to focus on? (There are prizes at stake!)

Finally, to help kick off the session, we would love to see some photos of where you are now, please do post them on the MSSF LinkedIn page or send them to tim.hall@hays.com.

We really look forward to catching up with you all.
