

“QUIZZING IN A WALTON WONDERLAND WITH THE MSSF @XMAS” YOUR INVITATION

Have yourself a merry little Midlands Shared Services Xmas Quiz 2020 (that's a mouthful and it's even in December this year!). Who will take the bragging rights and who will be the Xmas turkey?

Bring your mistletoe & wine to this virtual quiz with a difference. We are hoping for teams of up to 6 people, but in our true jumble bells style, we would love to join up some mixed teams of people across the Midlands for a not so silent night.

It's beginning to look a lot like this could be a great event.

Small print: The quiz will be held on zoom and teams will be asked to set up a whats app group so they can whats app their final answers.. this does mean team members have some flexibility if they need to walk the dog, bathe the kids, cook dinner or open more wine!"

We hope you can join us.
