

MIDLANDS SHARED SERVICES 2022 EVENT

Join us on the 29th September for the next face-to-face event from the Midlands Shared Services Forum (MSSF).

You'll have the chance to hear from Halfords, the UK's leading provider of motoring and cycling products and services, for their perspective on the cost-of-living crisis. They will cover topics including wellbeing, discounting platforms, and recognition, as well as practical advice for employees and employers.

You will also get the chance to meet some of the recent MSSF award winners, who will discuss key challenges and successes, they've faced in the last 12 months.

We hope everyone attending will be able to help us shape the MSSF agenda for the next 12 months and beyond.

We look forward to having you join us. **Please RSVP your attendance.**
